Conditions of Hire

A cleaning/key/damage deposit of £100.00 is payable on arrival which will be returned to you by post providing the Lodge is left in the same condition as found. Your inspection is invited before payment of this deposit.

You will be required to vacate your accommodation by 10.00am on the morning of departure to allow time for cleaning.

Your arrival will be welcomed from 4.00pm until 7.00pm. (a £10 charge will be payable for every hour outside of these times)

All terms are per-week and a non-refundable deposit of £100.00 per-week is payable on booking. The balance is due six weeks before the day of arrival. Once the booking has been confirmed, the client is liable for the full rental in the event of cancellation; we would therefore suggest you consider insuring against this happening, details of which we can supply or you may wish to do this through your local travel agent or insurance broker. Lodges are let and furnished for the numbers specified and no exception can be made except by prior arrangement.

Your vehicles and their accessories and contents are left at your own risk. The proprietors will not be responsible for loss or damage thereof or thereto from any cause whatsoever or from negligence of their employees.

The proprietors cannot be held responsible for any loss, damage or accident sustained at Beaconsfield Farm, this includes any accident or personal injury arising from any person using the SWIMMING POOL.

Guests are fully responsible for the Lodge and are liable for any damage to the property or its contents, and all reservations are accepted on the condition that the accommodation is left clean and tidy and that breakage's or damage will be paid for by the hirer. Please report any loss, breakage or damage so those shortcomings can be corrected prior to the next guests' arrival.

One vehicle allowed per lodge only. Any additional unauthorised vehicles will be charged at £15 per day or part thereof. No Commercial Vehicles. No cycling is permitted on the Holiday Park.
